

FUMBLES

Frequent In Saturday's Games.

Akron Teams Won Both Contests.

Simms and Palmer Have Gone.

Sporting Notes of Brevity and Varied Interest.

Before a crowd of about 100 persons the N. E. A. C. took a fall out of the Canton Athletic Club team at Summit Lake Saturday, by a score of 11 to 0.

Although the North End's goal was never threatened, the victory did not reflect very much credit upon them as they, as well as the Canton boys, played rather slow football, and although their formations were well made, they were very slow getting started and did much fumbling. The Canton boys were rather lighter than their opponents and showed lack of team work. Several of their regular men were out of the game and the subs were green players. They had not much opportunity to show what they could do in offensive play as they invariably lost the ball on fumbles when they secured it. North Ends kicked off at 3:30 and almost immediately got the ball on a fumble and on gains by Beduhr, Cassidy and Deltz took the ball to Canton's three-yard line where Cassidy made a touchdown. Hardy failed goal. Time, 6 minutes.

Straight football was the rule during the remainder of the first half and although Finn, Deltz, Bittner and Cassidy made good gains were unable to score and the first half ended with the ball on the North End's 25-yard line, after a fine run by Beduhr for 25 yards around left end.

McDermott made a poor kick off and North End got the ball in the center of the field, and the hardest playing of the game took place during the next 10 minutes. North Ends depended principally upon mass plays and by steady line bucking, carried the ball over for a touch down; Cassidy kicked goal. Hardy had to retire with a sprained shoulder and Volk took his place and did good work during the latter part of the game. North End took the ball to Canton's two-yard line on good gains by Beduhr, Cassidy, Deltz and Finn, but Finn lost the ball on a fumble, when another touchdown seemed sure, and Canton's full back made five yards through center just as time was called. Score—North Ends, 11; Canton, 0.

The line-up: North Ends. Canton. Powitzki I. e. Murphy Robb I. L. Deltz Berger I. G. Bittner Hofer C. Parker Stanton Q. Hayes Kelley F. e. Doonan Berger F. L. Beduhr Kell F. G. Finn Tombaugh I. h. Hardy-Volk Thompson F. h. Cassidy Capt McDermott Capt. f. b. Nolan Touchdowns—Cassidy, 2. Goals—Cassidy, 1; failed goal—Hardy. Referee, Knapp. Umpire, Williams. Linesmen, Polikowski and Roe. Time-keepers, Schoenberger and Leighton. Time of halves, 15 minutes.

SILER WILL REFEREE.
George Siler will referee the coming fight between Simms and Duffy at Detroit. The objections made by the Akron man against Malachi Hogan of Chicago have been successful and the selection of Siler is pleasing to Simms.

TIE GAME.
The Grays, whose average weight is little more than 130 pounds, played the 145 pound second team of the North Ends, Saturday. W. Jennings, for the Grays made the first touchdown in three minutes of play. The final score was 5 and 5.

NARROW MARGIN.
The Akron teams continue to fumble as though that were as much a part of the game as double passes or signals and with all the practice they have had, they do not seem to improve. The fact that the visiting teams seem to have the same failing to an extent that does away with the possibility of good football, seems to indicate that the failing is not alone confined to Akron teams.

The game Saturday between South End and the Cleveland Athletic club was a beautiful exhibition of fumbling and although the local eleven won by the narrow margin of one

The Law

Of health has no uniform guardians of its peace. If it had there would be arrests innumerable in every restaurant every day of the year. Both in the quantity and quality of the food they eat and in the manner of its consumption men and women sin each day against the laws of health.

Those who will not heed Nature's warnings cannot escape her punishments, and dyspepsia or stomach "trouble" is the inevitable penalty of careless eating.

There is no other medicine for diseases of the stomach and allied organs of digestion and nutrition which can compare with Dr. Pierce's Golden Medical Discovery. It cures these diseases perfectly and permanently, and enables the building up of the whole body into vigorous health.

"I took two bottles of Dr. Pierce's Golden Medical Discovery for stomach trouble," writes Clarence Carney, Esq., of Taylorstown, Loudoun Co., Va. "It did me so much good that I didn't take any more. I can eat almost anything now. I am so well pleased with it I hardly know how to thank you for your kind information. I tried a whole lot of things before I wrote to you. There was a gentleman told me about your medicine, how it had cured his wife. I thought I would try a bottle of it. I am glad I did, for I don't know what I would have done if it had not been for Dr. Pierce's Golden Medical Discovery."

Dr. Pierce's Pleasant Pellets cure constipation.

point the victory was fraught with but a small part of the glory that would have come from a well played game.

C. A. C. kicked off, and the initial fumble was then made by the South Ends.

Chamberlain punted the ball straight into the air and C. A. C. got it and worked it over for the first touch down after a half minute of playing. They failed to kick goal. This was the end of the scoring for the first half. The rest consisted of many fumbles, efforts on the part of Chamberlain to kick the pigskin cover to smithereens and a huge argument over a touch down that was claimed by South End, but which was lost by reason of an off-side play.

The second half was only ten minutes long, but in that time South End succeeded in scoring and kicking goal. This made the score 6-5 in her favor. South End bucked well, but her inability to hold the ball was a bad feature. The line-up follows:

South End—Washer, r. e.; Jones, r. h.; Peterson, r. f.; Smith, r. g.; Smetts, center; Ross, l. g.; Phillips, l. f.; Falor, l. h.; Yerrick, l. e.; Colley, quarter; Chamberlain, f. b.

C. A. C.—Souleak, r. e.; Dezort, r. h.; Kucera, r. f.; Clark, r. g.; Wundelock, center; Haglin, l. g.; Ficht, l. f.; Havel, l. h.; Glash, l. e.; Baer, quarter; Bebout, f. b.

SIMMS EXPLAINS.
Art Simms, accompanied by Jack Palmer and Charley Gheen, left for Detroit at 8:52 Monday morning. Before going Simms was seen by a reporter and says that he is in excellent condition and although the fight with Duffy will mean clean breaks, the result will be different than the one at Cincinnati. Simms says he lost his head when he fought that Furey would not come to him and fight and that he tried to whip him all at once. The fact that he could not hit in the break-away was another feature of the contest that puzzled the Akron man and made him fight in the manner that he did.

He says that he could have made the fight decisive anyway, if he had not let his temper get away with him, but after finding that Furey's fight was mostly defensive and that he would not lead, Simms threw all caution and generalship to the winds and

THERE ARE MANY ROADS.
The Finger Posts Marking the Many By-paths of Present Day Troubles, All Seem to Point the Same Way—Lack of Nerve Force.

Day by day the columns of this paper bring new evidence from Akron people of the great work being done by Dr. A. W. Chase's Nerve Pills—why they accomplish so much is easily explained. They are prepared with an eye single to restoring nerve force. They accomplish this object which no other medicine in the world has ever been able to do. That's why hundreds of Akron people offer their testimony.

Mr. M. J. Coyle, of 206 Bowers st. Akron, O., says: "Due to a nervous affection, I had for some six months a pain in the back of the head of a distressing type. I was told Dr. A. W. Chase's Nerve Pills would cure such trouble by its tonic power on the nervous system and got a box at Lamparter's drug store on South Howard st. and I am glad to say it did. I have had no trouble or pain since I used the medicine consequently have great confidence in it and am pleased to recommend it to others as a fine nerve tonic."

Dr. A. W. Chase's Nerve Pills are sold at 50c a box at dealers, or Dr. A. W. Chase Medical Co., Buffalo, N. Y. See that portrait and signature of A. W. Chase, M. D., are on every pack-

NO REST

For the N. O. T. Co.

South Akron Citizens Insist on a Line.

At the next meeting of Council the N. O. T. Co., will present an application for a franchise to build a line from its Main st., tracks through South Akron to connect with the Boulevard line. A similar application was presented to the City Commissioners several weeks ago, but was withdrawn. The company has now decided to build this line, as South Akron citizens have repeatedly asked for it and expressed their regret strongly when the company withdrew its application for a franchise.

To build this line will mean considerable expense, as the route passes over some marshy land that will require a pile foundation for tracks. This line will also require a bridge across the canal. Webster, Camp & Lane, and the properties of the new rubber industries in South Akron, are very anxious that the line be built.

A Typical South African Store.
O. R. Larson, of Bay Villa, Sundays River, Cape Colony, conducts a store typical of South Africa, at which can be purchased anything from the proverbial "needle to an anchor." This store is situated in a valley nine miles from the nearest railway station and about twenty-five miles from the nearest town. Mr. Larson says: "I am favored with the custom of farmers within a radius of thirty miles, to many of whom I have supplied Chamberlain's remedies. All testify to their value in a household where a doctor's advice is almost out of the question. Within one mile of my store, the population is perhaps sixty. Of these, within the past twelve months, no less than fourteen have been absolutely cured by Chamberlain's Cough Remedy. This must surely be a record." For sale by all druggists, E. Steinbacher & Co., wholesale agents.

JEFFRIES TALKS SOME MORE.
Jeffries is much worked up over the report that Fitzsimmons may fight Sharkey, and the redoubtable James wants to know why Robert does not direct a challenge to the winner of the coming fight in 'Frisco. Jeffries regards Fitzsimmons' action as an effort to dodge a fight with a good man and he says the Australian is looking for an easy mark.

TWO SHUT-OUTS.
The football team of the Star Athletic club defeated two teams on consecutive days. On Saturday they shut out the Yales by a score of 5-0, and on Sunday they beat the Carrolls by a score of 6-0. Both games were played on the Long st. grounds.

The Stars now claim to be the 130-pound champions of the city, and are anxious to meet any team that may dispute the assertion.

LOCAL SPORTLETS.
Buchtel academy football team will shortly be strengthened by the addition of Buck Washer at one half.

The Young West Ends defeated the Young South Ends at the Holland grounds Saturday by a score of 75-0.

The Centrals went down before the East Akron Blues Saturday by a score of 42-0. This makes the chances of the Centrals, who expect to meet the North Ends soon, look very slim.

It looks as though the North End club will engineer the wrestling match between Tom Jenkins and some other good man, if a go is arranged for Akron. Milo Williams and George Tuohy are still in communication.

Stricken With Paralysis.
Henderson Grinnett, of this place, was stricken with partial paralysis and completely lost the use of one arm and side. After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man, Logan county, W. Va. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, sprains and bruises. For sale by all druggists, E. Steinbacher & Co., wholesale agents.

LOSSES PAID.

Closing Chapter of Mysterious Bank Robbery.

Lima, O., Oct. 28.—The concluding chapter of the mysterious robbery of over \$18,000 from the vaults of the now defunct American National Bank two years ago last Christmas came when Gus Kalb, Cashier of the bank at the time, and N. L. Michael, vice president, paid County Clerk Sullivan \$10,886.74 each, the amounts of judgment secured against them for being responsible for the safety of the funds. The suit was brought by the stockholders and was sustained by the Supreme court.

A peculiar circumstance is that after the robbery Kalb bought nearly all of the stockholders out, but they had contracted to give the attorneys 30 per cent of the judgment secured, and now Kalb is forced to pay attorneys' fees for collecting a judgment against himself.

What Disease Produces Most Misery.

If the amount of misery caused by different diseases could be estimated, it would be found the portion caused by headache would outweigh any other, and perhaps equal all combined.
